OCMEE DESIGN PRESENTS

The Affordable Home Initiative

Every working family a way in. Every neighbor a way to help.

Lane 3: Fund it

Interest-free on that 20%

A friend at a Friday party had just got his keys. We checked every fact that night. Next day we reserved the house next door to him.

What OCMEED stands for

OC

Orange County

Where the people who work here can live here.

M

Mortgage

A way in. Ready.

E

Education

Classes, counseling, sweat equity.

E

Equity

Homes that build wealth. Together.

D

Design

The plan that puts it together. Give.

Orange County Mortgage, Education and Equity, by Design.

CALIFORNIA ALREADY HAS HELP TO BUY

Dream For All: up to 20%, up to $150,000.

The 2026 round was a lottery open for 3 weeks, 24 February to 16 March. No new round is announced. Most working families never heard of it.

The friend at the party, for every family

1. READY

Families

Learn the path. See which programs and which of 12 loan types fit. Get stronger for a lender, each with a target.

2. TOGETHER

Cities, nonprofits

The gap per home and who closes it. Land, fees, rates, Build Days. Eight program ideas to start, each with a first step.

3. GIVE

Pillars of the community

Time, skills, materials and money. A pledge planner shows what each one does for one home's gap.

Every number shows its source and date, or says ASSUMPTION.

The Affordable Home Initiative

Help to Buy turned years into one night. Let’s build that path here.

Nonprofits

Use it next month on one real home. Tell us which program rules to add.

Cities

Share land, fee and stacking rules as data. Host a Build Day.

Teams here

Plug in. Every source is dated and open, so tools combine.
